## NJ ASSE SPY Award

Past President Patrick Delaney NJ named ASSE Safety Professional of the Year! The SPY Award was presented to Pat by President Kraynanski at the March Meeting.

The award is conveyed annually to recognize a Chapter safety professional who has demonstrated outstanding achievement in the safety field while making significant contributions to advancing the safety profession.

## NJ AIHA/ASSE Summer Review Courses

The New Jersey Section of the American Industrial Hygiene Association (NJ-AIHA) is offering a comprehensive Industrial Hygiene Course. The course is designed to provide basic training in some critical areas of industrial hygiene and safety and will likely be beneficial for those entering the field as well as those who are just looking to sharpen their skills in certain technical areas. In addition, many of the people who have attended the program have found it to be very helpful in preparing for the CIH and CSP examinations. Certified Industrial Hygienists have the opportunity to obtain CM points per lecture (0.167 points per contact hour). Participants are welcome to attend any or all of the lecture sessions, depending on their individual training needs. People who need certification points must sign an attendance sheet for each session.

### **Industrial Hygiene & Safety Lecture Topics:**

History of Industrial Hygiene, OSHA Act Review and IH Management, Epidemiology, Fire Protection, Emergency Response, Ergonomics, Risk Management – Record Keeping, Indoor Air Quality, BioSafety, Equipment & Facility Safety, Ionizing Radiation, Non-Ionizing Radiation, Math, Statistics & Calculator Review, Air Pollution, Toxicology, Regulatory & Legal Affairs, Physics & Basic Engineering, Air Sampling – IH Chemistry, Direct Reading

Instrumentation, Noise, Ventilation, Ethics & Professional Conduct, Respiratory Protection & PPE. The IH classes will be held Tuesday nights (6:00 pm-9:00 pm) beginning the first week of June 2016. The first night, June 7th, may run to 9:30 pm.

**Safety Classes Sponsored by The NJ Chapter of the American Society of Safety Engineers:** Safety Topics have been added to our schedule (included in the price). We will have guest speakers on certain safety topics to help prepare people for the CSP exam. Safety classes will be held on Thursday nights (6:00 pm).

Tentatively, all classes will be held at the Rutgers Environmental Health & Safety Dept., 27 Road 1, Livingston Campus, Piscataway, New Jersey 08854. Tel. (848) 445-2550.

Course and materials - \$150. Download the registration form: [Summer Course Registration Form](#)

## ASP/CSP Prep Course

Do not miss this tremendous cost saving opportunity! Once again, the Penn-Jersey, New Jersey, and Philadelphia Chapters of ASSE are sponsoring a 3 day ASP and a 3 day CSP certification preparation course in June of 2016. Each course will be taught by Langlois, Weigand & Associates, Inc., who are the trainers used by ASSE and NSC. There are only 25 seats available in each course so act quickly. More information on these classes including registration information can be found [HERE](#).

## Celebrating Our Student Chapter!

On January 14, 2016, NJIT held its first Student Chapter meeting. This was a combined meeting with the NJ ASSE Chapter. Stephanie Rolon was appointed as the new Student Section President. The topic of the meeting was Prevention through Design presented by George Olsen. There was also a panel discussion on careers in safety with a focus of providing insightful guidance for student members.

The ASSE Society Chapter Past President, Kathy Seabrook was in attendance and participated as one of our panel members. The meeting was a great success and our Chapter looks forward to more opportunities to support the new Student Section.

## ASSE WISE Retreat June 25, 2016 at PDC

Women in Safety Engineering (WISE), an ASSE Common Interest Group, invites you to the WISE Personal Development Retreat. The Retreat is a one-day event focused on women in business and the unique challenges and stresses of being a woman in the occupational safety and health (OSH) industry. The day will be filled with educational sessions and activities that will go a long way in building your confidence and your network; enabling women in OSH to advance their careers and advance the practice of the profession.
