Emergency Management – You Fail to Plan, You Plan to Fail

Fundamentals of emergency management using real life case study scenarios to develop better responses through lessons learned.

Middlesex Fire Academy

1001 Fire Academy Dr, Sayreville, NJ 08872

4:00 pm – 5:00 pm Executive Board Meeting

5:00 pm – 6:00 pm Registration/Networking

6:00 pm – 7:30 pm Technical Program

John Ferguson, CSP, CHMM, NJCEM began his career at Bell Labs in semi-conductor in crystal growth research. After 16 years in research he switched into the Industrial Hygiene and Safety Department and retired after 25 years. He then began his service in 2003 for Middlesex County in Emergency Management as the Assistant OEM Coordinator and is now the Deputy Coordinator. He has been an emergency responder since 1979, in hazmat and fire, and has had roles as fire captain and fire Chief in local Hazmat and Fire Departments. John holds a BS from NJIT in Engineering & Science and an MS in Engineering from CSU.
